<i>Cost to play in the Recreation League includes a team jersey, 2 certified officials, and an official score keeper.</i>					

Evaluation Night Details:

The evaluation night is a night for our staff to evaluate all participants and place them on a team. Participants will go through a series of drills and scrimmage. Our goal is to make the teams as even as possible by the end of the night in order to have a balanced league. It is very important that all Recreation League participants attend the evaluation night. Without seeing a participant play the game of basketball we will be unable to place them on a team.
