playing at MPC.**

*Cost to play in the Recreation League includes 1 certified official, official score keeper,
league director & Mass Premier jerseys will be handed out each game night.*

League Structure:

Each week our staff will divide players into teams to play games. This allows flexibility depending on how many players show to play each week. All games will be officiated by one certified official, have a scoreboard operator and a MPC staff coach to substitute players and give instruction.

The league is designed to provide an opportunity to play in a semi-competitive organized league. The league is not instruction base and there are no practices.

A "Player of the Week" will be determined by MPC staff and will receive a "Player of the Week" t-shirt!
